About The Fordney Club

OUR MISSION is supporting education, youth athletics, and the general community welfare by action, word, and deed.

Our club was founded in 1923 by 70 prominent businessmen. The Fordney Club received its name from the Honorable Joseph W. Fordney who served in the House of Representatives from 1899 to 1923. Recognized as one of the Country's leaders, Congressman Fordney was Chairman of the Ways and Means Committee. He was named the Club's first honorary member.
